

Robe Primary School Uniform Policy

Respect – Courage – Integrity

Education Regulation 189a provides the right for School Governing Councils to determine the School Dress Code Policy. The following policy was passed by the School Governing Council in 2020.

We believe that a School Dress Code:

- contributes to a sense of unity and pride in our school
- contributes to the development of a supportive school environment by reducing the levels of competitive dressing
- increases the safety of students both in the school and on excursions
- increases the profile of the school in the wider community
- is cost effective with a choice of affordable clothing

CONSEQUENCES FOR NON-COMPLIANCE

The Department for Education makes it clear that non-compliance is not serious enough to deny access to learning. Consequently, suspension is not permitted. However, schools are allowed to implement a range of other measures to encourage compliance, including restrictions within the yard, yard service and sitting out.

Steps for non-compliance:

- *If a student is unable to comply with the Robe Primary School Uniform Policy for a short period of time, due to circumstances beyond their control, a written note of explanation from the parent/carer to the class teacher is required and appreciated.*
- *If a note is not supplied, the teacher will remind the student about our school uniform, hand out a reminder slip and ask them to wear the correct school uniform the following day.*
- *If the child returns again in the incorrect uniform the parent/carer will be contacted by the class teacher.*
- *If the child continues to wear incorrect uniform the principal will contact the parent/carer.*
